The background of the slide is a photograph of an airport terminal. In the foreground, the silhouettes of several people are visible against a large window. On the left, a person stands looking out. In the center, a person is pushing a stroller with a child inside. On the right, another person stands next to a large rolling suitcase. Outside the window, a commercial airplane is seen in flight against a bright blue sky with some clouds. The ground outside appears to be a parking lot with many cars.

Zenith promises to maintain the standards of its services and create a relationship with its growing customer base for generations to come.
